Saturday, .10, ZGM Fine Arts Studio Make a Splash – Make a Difference

Local artists, students, teens, children and professionals from all backgrounds are invited to “make a splash” in the local art scene this fall by taking part in *Art Happens*, a city-wide community art project. For a minimum donation of \$20, participants are given a tube of paint, to be “spashed” onto a 6 x 16 foot canvas from a 20 foot high balcony. Participants are also encouraged to sign the artist log, etching their splotch and signature into this historic local piece of art. *Art Happens* is open to the public on Saturday, October 10 from 10 – 4 p.m. at ZGM Fine Arts Studio, located at 1045 Elmwood Avenue. For more information on Art Happens, contact Kim at 847-0340 ext. 315 or at kluangpakdy@aidscommunityservices.com.
